

NDIS TTP Price Guide

Temporary Transformation Pricing

The NDIA introduced the TTP as a higher level price guide that eligible providers can charge as they continue to transition to working under the NDIS.

From 1st July 2019, providers of attendant care and community centre-based activities can charge a higher support price limit. This is through the TTP.

Amaranth Foundation follows the TTP requirements set out by the NDIA. Amaranth Foundation applies TTP pricing (line items ending in T) for a range of support categories. These include:

- daily personal activities
- group and centre-based activities
- participation in community
- social and civic activities
- other eligible services

Please find below TTP prices for frequently used codes.
